

# Road safety quiz questions

## Teenagers (15+) – Quiz Master's Sheet

### Question 1:

What online program do you need to successfully complete before you can apply for a learner licence?

- a) Q-Ride
- b) PrepL
- c) Logbook
- d) The practical driving test

**Answer: b) PrepL**

*PrepL is the online learning and assessment program for obtaining a Queensland learner licence. You can complete PrepL online, anywhere and at any time.*

### Question 2:

Which of the following must you do as a P1 licence holder?

- a) Display red P plates
- b) Only drive vehicles allowed on your licence class
- c) Obey the zero alcohol limit
- d) All of the above

**Answer: d) All of the above**

### Question 3:

Can a Learner or P1 licence holder under the age of 25 use their mobile phone in any way while driving?

- a) Yes
- b) No

**Answer: b) No**

*Learner and P1 licence holders under the age of 25 can't use any function on a mobile phone while driving. This includes hands-free, wireless headsets, Bluetooth, or the phone's loudspeaker function. Their passengers also can't use a mobile phone's loudspeaker function.*

### Question 4:

A P1 licence holder can drive with more than 1 passenger under 21 years of age at any time.

- a) True
- b) False

**Answer: b) False**

*P1 licence holders must not drive with more than one passenger under 21 who is not an immediate family member between 11pm and 5am.*

**Question 5:**

To travel straight through a roundabout, when do you need to indicate?

- a) You don't need to indicate
- b) Indicate right then indicate left as you exit
- c) Indicate left only as you exit
- d) Indicate left then right as you exit

**Answer: c) Indicate left only as you exit**

**Question 6:**

What percentage of serious crashes in Queensland are caused by low-level speeding?

Low-level speeding is defined as exceeding the speed limit by 10km/h or less.

- a) 10%
- b) 25%
- c) 50%
- d) 85%

**Answer: c) 50%**

**Question 7:**

What can help fatigue while driving?

- a) Turning the music up
- b) Putting the window down
- c) Caffeine
- d) Sleep or rest

**Answer: d) Sleep or rest**

***Sleep and rest is the only thing that can help fatigue. No other strategies are effective at combatting the effects of fatigue - they cannot be relied upon to keep you awake. Some of them disguise the symptoms of fatigue and can make it worse. The only fix for being fatigued is sleep.***

**Question 8:**

Which of the following is the most common cause of crashes:

- The fatal 5 (distraction, drink/drug driving, fatigue, speed, and failure to wear a seatbelt)
- Environmental conditions (for example, wet weather)
- Vehicle failure (for example, a tyre blow-out).

**Answer: The fatal 5 (distraction, drink/drug driving, fatigue, speed, and failure to wear a seatbelt)**
